

MAKE SURE CUSTOMERS REMEMBER YOUR STORY, PEOPLE, AND PRODUCTS

High Impact Promotional DVDs Deliver Your Message Better Than Anything Else!

Marketing your company for maximum impact just got more professional, more economical and a whole lot easier. Now you can have corporate marketing and promotional videos made with the latest state-of-the-art, High Definition digital video equipment, structured to fit within your timeline and budget. As a full service video production company, Rolling Hills Productions can help you highlight your products, educate customers or even train employees effectively and professionally.

Video is an extremely powerful tool for many types of corporate communication. Rolling Hills Productions combines skill, technology, and creativity to tell your story in film, video, or multimedia formats. Employing broadcast quality camera equipment, a highly experienced crew and cutting-edge editing suites, Rolling Hills makes sure the professionalism of your organization and the unique selling points of your products are recorded with vivid sights and sounds that customers remember.

Here's why many businesses rely on Rolling Hills Productions for their video production needs:

- Full Service** Everything is provided from start to finish: Scheduling, Storyboarding, Scripting, Shooting, Editing, Sound Recording/Mixing, Voice-Overs, Graphics, plus full DVD Authoring, Duplication, and Design.
- All Digital** Rolling Hills Productions uses only the latest state-of-the-art High Definition digital video equipment, from 3-chip HD cameras to HD editing suites to sound recording systems.
- Professional** As a full-time video production house, everything is done to make your company look its best in video while making it easy on you, your schedule and your budget.

With the skill, technology, and artistry to make the best in video, Rolling Hills Productions can create exactly what you want, professionally and cost-effectively. Whatever your needs—Promotional, Marketing, Seminar, Sales, Training, Commercial, Website, even How-To videos—for maximum impact, contact Rolling Hills Productions *today!*
